Approved by the Board of Public Works on:

David Miranda (213) 847-3052 Urban Forestry Division

You are hereby notified to replace tree(s) removed as follows: (Code Sec. 63.36.1)

You must have this permit at the subject location when the trees are removed. This is your authorization to remove four Japanese Privet trees in Declining stages where curbs have been marked. You must remove entire tree, stump grind and replant Eight 24" box sized Grape Myrtle trees. Seven to be planted on the 14th St. side (S1-7) and One to be planted on Alvarado Terrace (F8) , where curbs have been marked with a single white line for removal and a single white dot for replants. All trees must be watered a minimum of once weekly by the BOE contractor until that time the City's Office of Beautification obtains tree watering services from one of its contractors. The trees will continue to receive watering for a minimum three year period.

You are required to contact Dig-Alert at (800) 227-2600 at least two (2) days prior to digging

IF INSTRUCTED TO DELIVER TREES:

1. Locate a nursery of your choice prior to purchasing trees.
2. Call (213) 485-8619 Monday through Friday between the hours of 7:00 a.m. and 9:00 a.m. or 1:30 p.m. and 3:30 p.m. and request a tree-tagging inspection. Please refer to this permit.  
(All trees must be inspected prior to purchase or delivery of trees.)
3. Upon completion of tree-tagging inspection, you will be instructed to make delivery arrangements to 503 San Fernando Road.

\*\*\*KEEP THIS PERMIT AT THE SUBJECT LOCATION DURING THE REMOVAL/RELOCATION OF ANY TREES\*\*\*

When trees are removed, the roots must be removed, the holes must be filled and settled to Normal grade. When replanting, no tree may be planted within 45 feet of an intersection, as defined in Section 62.200 of the Los Angeles Municipal Code. This perm

Linear root control barriers required with tree replacements.
