

PERMIT TO PRUNE STREET TREES

Date: 3/31/2016

SIR No.: 1-126006111

UFMS No.:

Permission is hereby granted to:

Phone: 213-485-4554

Fax to:

City of Los Angeles Bureau of Engineering
c/o Joseba Maruri
1149 S Broadway 8th Floor
Los Angeles, CA 90015

This permit is valid through

June 29, 2016

to trim: 1 tree(s) at address: 207 N Dillon St Los Angeles, CA 90026

Tree(s) over 15 feet in height must be trimmed to ensure free passage of vehicle and pedestrian traffic upon streets and sidewalks.

Tree(s) or shrubs must be trimmed so as to have a minimum clearance of:

1. 13 feet 6 inches over that portion of state highways and major streets improved, designed or original used for vehicular traffic;
2. 11 feet over that portion of local streets improved, designed, or ordinarily used for vehicular traffic;
3. 9 feet over the sidewalk and parkway area of all streets.

In addition to the above, we request that you:

- Trim the trees in a professional manner in accordance with current arboriculture standards.
- Do not remove more than 25% of the live green foliage.
- Remove dead, diseased, damaged and crossing limbs.
- Do not leave rips or stubs in the trees.
- Do not make topping cuts.
- Remove any broken hanging limbs.
- Leave the tree(s) in a balanced, safe and aesthetically pleasing condition.

All street trees must be trimmed in accordance to the International Society of Arboricultural "Tree Pruning Guidelines", and the American National Standards Institute (ANSI A-300) "Tree, Shrub and Other Woody Plant Maintenance Standards Practices."

All brush generated from the trimming of street trees must be properly disposed of at the permittee's expense immediately after the tree is trimmed. Brush must not be allowed to obstruct the street, sidewalk or parkway.

NOTE: This permit is not valid for the trimming of Oak trees. Before issuing a trim permit for oak trees, an onsite inspection by a Street Tree representative is required.

Thank you for your concern and support in the maintenance of the City's living infrastructure, the street trees of Los Angeles.

If you have any questions, please contact the Urban Forestry Division at (213) 847-3077.
